- **Double check all of your measurements before ordering!**
- **Check the layout to make sure all your windows and skylights are included.**
- If your layout has surplus shade material and you have other windows or skylights to cover, you may want to order extra fasteners in your kit.

**IMPORTANT:** Measurements entered in the calculator are for the exact size of shades you need. Make sure each panel includes enough material to cover the glass and extend at least 1/2 inch beyond the fasteners.

When you are ready, order securely online or call 1-877-439-7627 for assistance:
